Re: *Cequent Trailer's Subpoena to Northern Tool & Equipment Co.
Cequent Products, Inc. v. Intradin (Shanghi) Machinery Co., Ltd.
Civ. No. 1:05 CV 02566-JG*

Dear Mr. Cupar:

Pursuant to our several discussions concerning your Subpoena, enclosed please find documents responsive to the Subpoena labeled NT000001-NT000009 which I understand represents invoices for Northern Tool's purchases of product from Intradin that falls within the scope of your Subpoena. I also understand that my client has made a reasonable and diligent search for any correspondence or e-mails between it and Intradin that relate to the categories or topics you provided to me on Friday, November 11, 2006 at 12:04 p.m. by e-mail. My client's search for documents responsive to those categories revealed that it does not have any such documents responsive to the Subpoena in that regard.

If you have any questions regarding this production of documents responsive to your Subpoena, please feel free to contact me.

Very truly yours,

Mark S. Olson
